

FormPak BagLift-100EP

Extended Pockets Fork Lift Adapter

This device can easily lift the industry standard two metric ton (about 4400 lbs) heavy bulk bag. If you have a forklift truck, this simple part can make handling your bulk bags a breeze.

3" x 6" Steel tubes
Accept Forklifts

Sturdy bag holders mean bag straps
are easily placed and removed, and
stay put while in use.

48" x 39" x 6"
